2 Directors Report For the Financial Year Ended 2025-12-31

The directors present their report and the independently reviewed Financial Statements for the financial year ended 2025-12-31.

2.1 Principal Activity & Business Review

Credebt Exchange Limited, Trade Credebt Limited and Credebt Shipping, Inc. are wholly owned subsidiaries of Credebt Group Limited, where Credebt Group Limited is the holding company within the Group. As part of the Group, the Credebt Exchange® marketplace provides trade and asset finance to SME originator organisations. Its finance products are marketed to originators using the Trade Credebt® and Credebt Shipping® brand names. As market makers on the Exchange, Credebt Exchange® selects, prices and markets ETR to savers as Investabill ETR®.

Investabill ETR® provides a fixed income yield on cash deposits or pensions belonging to savers. These savers buy and own leases, monetary obligations or Bills issued under Contract that are called Exchange Traded Receivables [ETR]. Under the Credebt® Guarantee, the group protects savers from any losses using its Reserves of c.EUR 48.48m (see sub section 2.1.4). In addition, Credebt® also has an EUR 8.0m insurance policy with AIG® for additional protection.

Investabill® competes against bank deposits. Using the investabill® Yield Curve app anyone with savings to set their own yield and access requirements. To earn higher yields, they commit to longer terms and less access using the investabill® Yield Curve app. It enables savers to buy an attractive, on-demand, fixed income return. The yield is generated by small-to-medium sized business [SMB] originators selling their investment quality† ETR at a nominal discount.

The board is provided with regular information on Key Performance Indicators [KPI] for all areas of the business that includes financial indicators for turnover (see note 11.3), capital expenditure (see note 11.7, 11.8, 11.9), debtors (see note 11.10), risk, collections and legal matters. Reports (including non-financial KPI reports) are circulated to the board to assist in monitoring and supporting the Group activities on a regular basis. Reports and papers are circulated to the directors in preparation for board meetings. The board's primary focus is to ensure adequate Reserves are maintained to meet the Credebt® Guarantee.

Underpinning the Investabill® product for savers, is a unique purchasing and trading model. Trade Credebt® and Credebt Shipping® provide SME originator businesses with the trade and asset finance they need, quickly and easily. Using these trade and asset finance products enables the SMB to control how they fund and grow their business. It competes with, or complements, traditional bank finance lending and leasing alternatives.

The Group maintains offices in both Dublin, Ireland and Athens, Greece. Each location, activity

† Investment quality is a combination of Investment Grade [IG] organisations & other credit worthy organisations, as determined by AIG and other credit rating agencies, from time to time

Credebt Group Limited

Website: www.credebt.com

and department are reviewed regularly. Improvements made in 2025 were to enable sustained and stable growth for the years ahead. Restructured legal activities comply with current and pending laws. Ongoing development of, and investment in, IT systems; and staff restructuring, reduction, recruitment and outsourcing; have all strengthened the business in key areas of marketing, trade, asset, risk, collections and Reserves management.

2.1.1 Principal Risks & Uncertainties

The following are the risks and uncertainties that could impact the Group's future performance:

2.1.2 Market Conditions

Credebt Exchange® and Trade Credebt® as subsidiaries of Credebt Group Limited are not subject to regulation by the Central Bank in Ireland, but circumstances may change in the future. The Group will act accordingly in the event that the regulatory environment changes. Currently, trading ETR does not result in any additional taxation costs.

2.1.3 Liquidity Risk

In 2025, Credebt Exchange® completed its twelfth full financial year and continues to generate significant funding from savers as investors that provide it with sufficient cash flow to continue to trade. The Group continually reviews its cost base and financing requirements. It also continues to develop new investor routes to markets, in order to ensure the Group is adequately funded. Continued availability of funding is a risk to the business and access to the capital or other funding markets, as an alternative funding source would mitigate this risk, if presented.

2.1.4 Trade Risk & Reserves

The Group's trade risk is primarily attributable to transactional risk that may result in ETR distress or default. The AIG® insurance policy and Credebt® Guarantee protect investors from any losses. The Credebt® Guarantee Reserves are provisions for ETR that may become distressed or at risk of default at a future date. The Reserves are:

'Current Liabilities Creditors: due within one year'

Trade Reserves	EUR 19.43m (see 11.12)
Asset Reserves	EUR 29.04m (see 11.12)

and 'Creditors: due after one year'

Asset Reserves	<u>EUR 29.04m</u> (see 11.13)
Total	EUR 48.48m

The amounts presented in the Statement of Financial Position are net of the total Reserves allowances for specific ETR considered to be at risk. Should trades not be settled, this may result in an increase in the allowances for recoverability with a decrease in the Reserves provisions amount due. Reserves are used to protect investors from any losses, to strengthen the financial

Credebt Group Limited

15A Baggotrath Place, 15 - 16 Lower
Baggot Street, Dublin D02 NX49

Phone: +353 (1) 685-3600

Email: finance@credebt.com

Website: www.credebt.com

position of the Company, mitigate risks and fulfil legal, constructive and/or contractual obligations. Reserves relate to provisions for amounts due to Originators as at the Statement of Financial Position date.

2.1.5 Operational Risk

Systems related failures and/or security breaches, including without limitation, any security breach that results in the theft, transfer or unauthorised disclosure of customer information; bank information; settlement reconciliations; and data centre environment changes could have a significant impact on the business. However, the Group takes comprehensive steps to ensure that its systems are secure and these security arrangements are regularly reviewed.

Fraud across multiple personnel roles and delegation levels or collective collusion is a potential operational risk facing the Group. Fraudulent ETR also presents a significant risk to the Company. The Group has many management policies in place that mitigate against these risks. These continue to be monitored by management and the directors on a regular basis.

The Group faces the following process and business risks:

- ✦ Know Your Customer [KYC] and Anti-Money Laundering [AML];
- ✦ ETR validation and legal assignment; and
- ✦ Debtor or creditor distress and/or default where ETR Off-Set and Reserves are inadequate and credit insurance execution fails

Credebt Exchange® has procedures and other insurance to mitigate against these risks.

2.1.6 Going Concern

The directors have assessed the Group's ability to continue as a going concern for a period of at least twelve months from the date of approval of these financial statements. In making this assessment, the directors have considered the Group's trading performance, cash flow forecasts, liquidity position, available investor funding, and the ongoing viability of its business model. The Group performed strongly during the financial year ended 31 December 2025 and reported profitability ahead of the prior year. The Group maintains significant cash balances and continues to generate positive operating cash flows. The directors have reviewed detailed financial projections, including sensitivity analysis in respect of trading performance and investor funding levels. The Group continues to monitor exposure to sectors experiencing economic challenges and maintains appropriate reserves against potential exposures. In addition, the Group continues to diversify its business activities within the trade and shipping sectors.

Furthermore, the Group actively monitors its systems to prevent and detect cybersecurity threats.

Credebt Group Limited

15A Baggotrath Place, 15 - 16 Lower
Baggot Street, Dublin D02 NX49

Phone: +353 (1) 685-3600

Email: finance@credebt.com

Website: www.credebt.com

It monitors cybersecurity incidents affecting other organisations as such events become public, enabling it to remain current with emerging risks and enhance its defence strategies. The Group has established response procedures for prompt identification, reporting and remediation of information security breaches should they arise. Based on this assessment, the directors have a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the consolidated financial statements have been prepared on a going concern basis.

2.2 Compliance Statement

As required by Section 225 of the Companies Act 2014 ("the Act"), we, the directors of Credebt Group Limited, acknowledge our responsibility for securing compliance with the relevant obligations of Credebt Group Limited as defined by Section 225 of the Act. We have documented and approved a compliance policy which, in our opinion, is appropriate to Credebt Group Limited with respect to our compliance with relevant obligations as set out in the Act.

We have put in place arrangements and structures that are, in the opinion of the directors of Credebt Group Limited, sufficient to secure material compliance with the relevant obligations of Credebt Group Limited.

During the financial year-ended 2025-12-31, management conducted separate reviews of the arrangements and structures which we have put in place to secure material compliance with the relevant obligations of Credebt Group Limited. We acknowledge that the arrangements and structures, that the directors of Credebt Group Limited have put in place, can only provide reasonable assurance of compliance in all material respects with those obligations. The reviews conducted by management did not identify any material matters of non-compliance.

2.3 Results & Dividends

The results for the financial year are set out on page 12. The directors do not recommend a dividend payment for 2025 (2024: nil).

2.4 Future Developments

The directors intend to continue developing the Group's existing revenue streams and to expand its activities within the trade and shipping sectors. The Group will continue to invest in the development and enhancement of its Exchange platform in order to provide additional functionality and services to its members and to support future growth. The directors will also continue to assess opportunities for diversification into related revenue-generating activities that align with the Group's strategic objectives.

2.5 Political Donations

The directors have satisfied themselves that there were no political contributions during the year

that require disclosure under the Electoral Act 1997.

2.6 Statement of Relevant Accountant Information

Each of the persons who is a director at the date of approval of this report confirms that:

- a) So far as the director is aware, there is no relevant review information of which the Company's accountant is unaware; and
- b) Each director has taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant review information and to establish that the Company's accountant is aware of that information.

This statement is made voluntarily in connection with the independent review engagement.

2.7 Directors & Secretary

The directors of the Group that were in office during the year and up to the date of signing the Financial Statements were:

Directors	Appointment	Resignation
Stephen Mackarel	2018-10-31	
Patrick Reynolds	2018-10-31	

The secretary of the Group who was in office during the year and up to the date of signing the Financial Statements was:

Secretary: Gerard Hughes - resigned 2025-06-26
Company Bureau - appointed 2025-06-26

2.8 Directors & Their Interests in the Company Shares

The Directors of the Group during the financial year and their interests in the Group are as stated below:

Directors	Ordinary Shares	
	2025-12-31	2024-12-31
Patrick Reynolds	198	198

2.9 Accounting Records

The directors are responsible for ensuring that adequate accounting records are kept in

Credebt Group Limited

15A Baggotrath Place, 15 - 16 Lower
Baggot Street, Dublin D02 NX49

Phone: +353 (1) 685-3600

accordance with Sections 281 to 285 of the Companies Act 2014. To achieve this, the directors have employed appropriately qualified accounting personnel and have maintained appropriate accounting systems and procedures designed to ensure that transactions are accurately recorded and that the financial position of the Group can be determined with reasonable accuracy at any time. The Group's accounting records are maintained at the Group's registered office at 15A Baggotrath Place, 15-16 Lower Baggot Street, Dublin D02 NX49, Ireland.

2.10 Independent Reviewer

Baker Tilly Audit Limited (Chartered Certified Accountants and Statutory Audit Firm) were appointed as Independent Reviewer in July 2025. In so far as the directors are aware, there is no relevant accounting review information of which the Group's Independent Reviewer are unaware and the directors have taken all relevant steps they ought to have taken as directors in order to make themselves aware of any relevant information and to establish that the Group's Independent Reviewer are aware of that information.

2.11 Date of Authorisation & Issue

The Financial Statements were authorised for issue by the board of directors on 2026-03-10.

3 Directors' Responsibilities Statement

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with the Companies Act 2014 and applicable regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the Group financial statements in accordance with FRS 102, *The Financial Reporting Standard applicable in the UK and the Republic of Ireland* ("the relevant financial reporting framework"). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the Group as at the financial year end date and of the profit or loss of the Group for the financial year and otherwise comply with the Companies Act 2014.

In preparing those Financial Statements, the directors are required to:

- ✎ select suitable accounting policies for the Company Financial Statements and then apply them consistently;
- ✎ make judgements and estimates that are reasonable and prudent;
- ✎ state whether the Financial Statements have been prepared in accordance with the applicable accounting standards, identify those standards and note the effect and the reasons, for any material departure from those standards; and
- ✎ prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Group will continue in business

The directors are responsible for ensuring that the Group keeps, or causes to be kept, adequate accounting records that correctly explain and record the transactions of the Group; enable at any time the assets, liabilities, financial position and profit or loss of the Group to be determined with reasonable accuracy; enable them to ensure that the Financial Statements and Directors Report comply with the Companies Act 2014;

They are also responsible for safeguarding the assets of the Group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Board and signed on its behalf by:

Patrick Reynolds
Director

**INDEPENDENT REVIEWER'S REPORT TO THE MEMBERS OF
CREDEBT GROUP LIMITED
FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2025**

REPORT ON THE FINANCIAL STATEMENTS

We have reviewed the financial statements of Credetb Group Limited (the 'Company') and its subsidiaries (the 'Group') for the year ended 31 December 2025, which comprise the Consolidated Statement of Profit or Loss, the Group and Company Statement of Financial Position, the Group and Company Statement of Changes in Equity, the Consolidated Statement of Cash Flows and the related notes to the financial statements, including the statement of significant accounting policies set out in note 11. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 "The Financial Reporting Standards applicable in the UK and Republic of Ireland", issued in the United Kingdom by the Financial Reporting Council and promulgated for use in Ireland by Chartered Accountants Ireland.

DIRECTORS' RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of Group and Company's financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Group and Company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and Company or to cease operation, or has no realistic alternative but to do so.

INDEPENDENT REVIEWER'S RESPONSIBILITIES FOR THE REVIEW OF THE FINANCIAL STATEMENTS

Our responsibility is to express a conclusion on these annual financial statements. We conducted our review in accordance with the International Standard on Review Engagements (ISRE) 2400 (Revised), Engagements to Review Historical Financial Statements. ISRE 2400 (Revised) requires us to conclude whether anything has come to our attention that causes us to believe that the annual financial statements, taken as a whole, are not prepared in all material respects in accordance with the applicable financial reporting framework. This Standard also requires us to comply with relevant ethical requirements.

A review of annual financial statements in accordance with ISRE 2400 (Revised) is a limited assurance engagement. The independent reviewer performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less than those performed in an audit conducted in accordance with International Standards on Auditing (ISA). Accordingly, we do not express an audit opinion on these annual financial statements.

CONCLUSION

Based on our review, nothing has come to our attention that causes us to believe that these financial statements do not present fairly, in all material respects the financial position of Credetb Group Limited (the 'Company') and its subsidiaries (the 'Group') as at 31st December 2025, and its financial performance and cash flows for the year then ended, in accordance with Irish Law and FRS 102 "The Financial Reporting Standards applicable in the UK and Republic of Ireland", issued in the United Kingdom by the Financial Reporting Council and promulgated for use in Ireland by Chartered Accountants Ireland.

**INDEPENDENT REVIEWER'S REPORT TO THE MEMBERS OF
CREDEBT GROUP LIMITED
FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2025**

OTHER INFORMATION

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Independent Reviewer's Report thereon. Our conclusion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the independent review, or otherwise appears to be materially misstated.

If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Ms. Gail Ellis

11 Notes to Financial Statements

Notes to the Financial Statements for the financial year ended 2025-12-31.

11.1 Statement of Accounting Policies

The principal accounting policies are summarised below and have been applied consistently throughout the year and to the preceding year.

11.1.1 General Information & Basis of accounting

Credebt Group Limited ("the Company") is a company incorporated in Ireland under the Companies Act 2014. The address of the registered office is given above. Credebt Exchange Limited, Trade Credebt Limited and Credebt Shipping, Inc. are wholly owned subsidiaries of

Credebt Group Limited

15A Baggotrath Place, 15 - 16 Lower
Baggot Street, Dublin D02 NX49

Phone: +353 (1) 685-3600

Email: finance@credebt.com

Website: www.credebt.com

Credebt Group Limited (together, "the Group"), where Credebt Group Limited is the Holding company within the Group. The nature of the Group's operation and its principal activities are set out in the Directors' Report on page 3. The Financial Statements are prepared under the historical cost convention and in accordance with the Companies Act 2014 and Financial Reporting Standard 102 [FRS 102] issued by the Financial Reporting Council. The functional currency of Credebt® is Euro as it is the currency of the primary economic environment in which the Group operates.

11.1.2 Going Concern

These financial statements have been prepared on a going concern basis. The directors have assessed the Group's ability to continue as a going concern for a period of at least twelve months from the date of approval of these financial statements. In making this assessment, the directors have considered the Group's financial forecasts, capital and liquidity resources and overall funding position. At 31 December 2025, the Group had net assets of EUR 10,763,125 and generated an operating profit of EUR 2,672,887 for the financial year. The directors have also considered potential risks relating to market conditions and the availability of future funding. No material uncertainties have been identified that would cast significant doubt on the Group's ability to continue as a going concern. Based on this assessment, the directors have a reasonable expectation that the Group has adequate resources to continue in operational existence for the foreseeable future and therefore the financial statements have been prepared on a going concern basis.

11.1.3 Turnover

Turnover comprises:

- ✦ interest income (yield) earned on finance leases and related financial arrangements; and
- ✦ commission and fee income arising from arranging, administering and settling ETR transactions.

Interest income is recognised in the Statement of Profit or Loss using the effective interest rate method over the term of the relevant financial asset so as to achieve a constant periodic rate of return on the carrying amount. Finance lease income is recognised using the effective interest method over the lease term.

Commission and fee income is recognised when the related service has been provided. Where fees relate to services provided over a period, income is recognised over that period on a systematic basis consistent with the pattern of service delivery.

11.1.4 Exchange Traded Receivables [ETR]

Exchange Traded Receivables [ETR] represent unsettled trade receivables purchased by the Group from originators. Finance leases are recognised initially at transaction price plus directly

Credebt Group Limited

15A Baggotrath Place, 15 - 16 Lower
Baggot Street, Dublin D02 NX49

Phone: +353 (1) 685-3600

Email: finance@credebt.com

Website: www.credebt.com

attributable transaction costs and are subsequently measured at amortised cost using the effective interest rate method. ETR are presented net of an impairment allowance. At each reporting date, the Group assesses whether there is objective evidence of impairment. Impairment is determined with reference to historical collection experience, the creditworthiness of counterparties, the ageing profile of exposures and relevant forward-looking information.

11.1.5 Statement of Cash Flows

The Group has prepared a Consolidated Statement of Cash Flows and it is set out on page 16. No cash flows arose during the current or prior financial year for the Company therefore no statement of cash flows has been presented for the Company.

11.1.6 Measurement Convention

The financial Statements are prepared on the historical cost basis.

11.1.7 Intangible Assets

Trademarks are included at cost and amortised in equal annual instalments over the expected useful life. Development expenditure in relation to internally generated intangible assets is capitalised when all of the following have been demonstrated: the technical feasibility of completing the intangible asset so that it will be available for use; the intention to complete the project to which the intangible asset relates; how the intangible asset will generate probable future economic benefits; the availability of adequate technical, financial and other resources to complete the development in order to use the intangible asset; and the ability to measure reliably the expenditure attributable to the intangible asset during its development.

The amount initially capitalised for internally generated intangible assets is the sum of the expenditure incurred from the date when the intangible asset first meets the recognition criteria listed above. Where no internally generated intangible asset can be recognised, development expenditure is charged to the Statement of Profit or Loss in the period in which it is incurred. Development expenditure will be amortised over the expected life of the asset of five years once it becomes operational. Amortisation expense is charged to the Statement of Profit or Loss for the related period.

11.1.8 Property, Plant & Equipment

Property, plant and equipment comprises office equipment, computer equipment and fixtures and fittings. Assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes expenditure directly attributable to the acquisition of the asset. Depreciation is charged on a straight-line basis so as to allocate the cost of assets, less their estimated residual value, over their estimated useful lives from the date the assets are available for use. The estimated useful lives and residual values are reviewed annually.

Credebt Group Limited

15A Baggotrath Place, 15 - 16 Lower
Baggot Street, Dublin D02 NX49

Phone: +353 (1) 685-3600

Email: finance@credebt.com

Website: www.credebt.com

Depreciation rates are as follows:

Fixtures and equipment: 20% straight-line

11.1.9 Leased Assets

The Group acts as lessor in finance lease arrangements. At the commencement of the lease term, finance leases are recognised as a receivable at an amount equal to the net investment in the lease, being the present value of the minimum lease payments receivable together with any unguaranteed residual value, discounted at the interest rate implicit in the lease. Lease payments received are apportioned between a reduction of the lease receivable and finance income so as to achieve a constant periodic rate of return on the net investment in the lease. Finance income is recognised in the Statement of Profit or Loss using the effective interest method. The net investment in finance leases is assessed for impairment in accordance with the Group's financial instruments policy. Any gain or loss on termination of a lease is recognised in profit or loss and represents the difference between the proceeds received and the carrying amount of the lease receivable at the date of termination.

11.1.10 Taxation

Current tax, including Irish corporation tax, and tax payable in other jurisdictions where the Group operates, is provided for at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted, or substantively enacted, by the Statement of Financial Position date. The consolidated current tax charge for the Group for the year ended 2025-12-31 is EUR 80,269. The current tax charge for the parent company for the same period is EUR nil.

11.1.11 Foreign Exchange

Transactions in foreign currencies are translated into the Group's functional currency at the exchange rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are retranslated at the closing rate at the reporting date. Exchange differences are recognised in profit or loss. Non-monetary items measured at historical cost are not retranslated. For consolidation purposes, the assets and liabilities of foreign operations are translated into Euro at the closing rate at the reporting date. Income and expenses are translated at average exchange rates for the period. Exchange differences arising on translation are recognised in other comprehensive income and accumulated in equity.

11.1.12 Other Expenses

All expenses are recognised on an accruals basis in the period to which they relate. Amounts paid in advance are recognised as prepayments and expensed over the period of benefit.

Credebt Group Limited

15A Baggotrath Place, 15 - 16 Lower
Baggot Street, Dublin D02 NX49

Phone: +353 (1) 685-3600

Email: finance@credebt.com

Website: www.credebt.com

11.1.13 Investor Funds

Investor funds that are classified as payable within one year on initial recognition, and which meet the above conditions, are measured at the amount of the cash or other consideration expected to be paid, net of impairment.

11.1.14 Investors Yield

Investor Yields are the returns on investors' funds used for buying and selling transactions. Investors' Yield is recorded on an accrual basis in the accounting period to which it relates regardless of when the payment is made and presented in cost of sales in the Statement of Profit or Loss.

11.2 Critical Accounting Judgements & Key Sources of Estimated Uncertainty

In the application of the Group's accounting policies that are described in note 11.1.1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods, if the revision affects both current and future periods.

The following are the critical judgements and estimations that the directors have made in the process of applying the Group's accounting policies and that have the most significant effect on the amounts recognised in the Financial Statements:

11.2.1 Revenue Recognition

The directors have applied significant judgement in determining that the Group acts as principal in ETR transactions. In making this assessment, the directors considered that the Group retains significant exposure to the risks and rewards associated with the underlying receivables, including credit risk and variability of cash flows. Accordingly, the Group does not derecognise the receivables upon transfer to investors. Instead, the Group recognises the gross receivable representing the agreed purchase price of the ETR transactions, with a corresponding liability recognised for investor funds where applicable. Revenue from Future Income ETR transactions is recognised over time using the effective interest method, reflecting a constant periodic rate of return on the carrying amount of the receivable.

Credebt Group Limited

15A Baggotrath Place, 15 - 16 Lower
Baggot Street, Dublin D02 NX49

Phone: +353 (1) 685-3600

Email: finance@credebt.com

Website: www.credebt.com

11.2.2 Impairment of ETR Receivables

In assessing the recoverability of the ETR receivables balance in the Statement of Financial Position at the year end, which is contained within debtors, the directors have made the assumption that any impairment resulting from the non-recoverability of the debtors owed to the Group will not be in excess of the Reserves that have been put in place (see note 11.10 and note 11.13). The recoverability of ETR receivables represents a key source of estimation uncertainty for the Group. In assessing the recoverability of the ETR balances included within debtors in the Statement of Financial Position at year end, the directors have considered the expected credit losses arising from counterparties' ability to settle these balances.

The directors have applied judgment in assessing expected credit losses and have assumed that any impairment will not exceed the level of Reserves maintained. Changes in underlying assumptions about recoverability could have a material impact on the carrying amount of these receivables in future periods.

11.2.3 Finance Leases

The directors have exercised judgement in determining the classification of leases at the reporting date. All leases have been classified as finance leases on the basis that the net present value of future lease payments either approximates or is greater than the fair value of the asset on day one of the lease. This assessment reflects management's view that substantially all the risks and rewards of ownership of the leased assets have been transferred to the Group, consistent with the criteria set out in FRS 102...

11.2.4 Classification of Investor Funds

The directors have exercised judgement in determining the appropriate classification of investor funds. Investor funds represent amounts received from investors to finance ETR transactions. In assessing the appropriate accounting treatment, the directors considered the contractual terms of the arrangements, including redemption rights, entitlement to fixed or variable returns and the absence of residual ownership rights in the Group. Based on this assessment, the directors concluded that investor funds give rise to a contractual obligation to deliver cash and therefore meet the definition of financial liabilities under FRS 102. Accordingly, investor funds are classified as liabilities and measured at amortised cost. Changes in the contractual terms of investor arrangements could affect the classification of these instruments in future periods.

11.2.5 Judgement in determining control and consolidation

The directors have applied judgement in determining whether the Group controls certain entities and arrangements and therefore whether they should be consolidated in accordance with FRS 102. In assessing control, the directors consider whether the Group has the power to govern the financial and operating policies of the relevant entity, is exposed to variable returns from its

Credebt Group Limited

15A Baggotrath Place, 15 - 16 Lower
Baggot Street, Dublin D02 NX49

Phone: +353 (1) 685-3600

Email: finance@credebt.com

Website: www.credebt.com

involvement, and has the ability to use its power to affect those returns. This assessment includes consideration of shareholding structure, contractual arrangements, decision-making rights, and the economic substance of transactions. Where structured entities or special purpose arrangements are involved, the directors assess whether, in substance, the Group has control even where it does not hold a majority of voting rights. Based on this assessment, the directors have determined which entities meet the definition of subsidiaries and are therefore consolidated within the Group financial statements. Changes in the underlying contractual arrangements or ownership structures could affect this assessment in future periods.

11.2.6 Basis of Consolidation

The Group financial statements consolidate the financial statements of Credebt Group Limited and all its subsidiary undertakings as at 2025-12-31. The subsidiary undertakings are wholly owned by the Company and are listed below. The subsidiaries and the parent company have the same year-end, 31st December. The Company's subsidiaries at 2025-12-31 were the following:

- (i) Credebt Exchange Limited, a company incorporated in the Republic of Ireland, is a 100.0% subsidiary of the Company. Credebt Exchange Limited provides trade and asset finance to organisations that want to take a smarter approach to financing their business growth. The Credebt Exchange Limited registered address is 15A Baggotrath Place, 15 - 16 Lower Baggot Street, Dublin D02 NX49, Ireland.
- (ii) Trade Credebt Limited, a company incorporated in the Republic of Ireland, is a 100.0% subsidiary of the Company. Trade Credebt Limited provides operational and administrative services to the Group. The Trade Credebt Limited registered address is 15A Baggotrath Place 15-16 Lower Baggot Street, Dublin 2, Ireland.
- (iii) Credebt Shipping Inc., a company incorporated in the Marshall Islands, is a 100.0% subsidiary of the Company. On 2024-01-01 Credebt Shipping Inc. commenced operations. Credebt Shipping Inc. provides strategy, marketing and commercial operations management to the Group. The Credebt Shipping Inc. registered address is Trust Company Complex, Ajeltake Road, Ajeltake Island, Majuro, MH96960, Marshall Islands.
- (iv) Credebt International, LLC. a company incorporated in the United States of America, is a 100.0% subsidiary of the Company. Credebt International, LLC. is currently a dormant company with no operations and no transactions having registered office c/o Corporation Services Company, 251 Little Falls Drive, Wilmington, County of New Castle, Delaware 19808, USA.
- (v) For other companies 100.0% owned by the Group, refer to the table on Page 15 those companies conduct business in support of Credebt Exchange, Trade Credebt and Credebt Shipping.

Originators as Collection Agents, historic collectability and the aging of balances.

	2025 EUR	2024 EUR
Cash at bank and in hand	6,630,926	16,756,146

11.12 Creditors: Amounts due within 1 Year

Under Creditors the Group maintains certain provisions for bad and doubtful debts that may be distressed or delinquent. In addition, on certain transactions, the Group holds a deposit which, on completion of these trades, the deposit is returned to the Originator. All of these provisions are accounted for in the Trade Reserves shown below. Separately, when purchasing certain assets, Originators must provide deposits in the form of cash or additional assets. These provisions are accounted for in the Asset Reserves as shown below:

Creditors: Amounts due within 1 Year

	2025 EUR	Additions/(Used)	2024 EUR
Trade Creditors	(71,014)	(302,667)	231,653
Trade Accruals	1,161,411	(714,445)	1,875,856

11.18 Contingent liabilities and commitments

The directors confirm that there are no additional commitments or contingencies within the scope of FRS 102 which require disclosure in the financial statements. From time to time, the Group is involved in legal claims in the ordinary course of business. The Group vigorously defends itself in such matters. Based on the directors' best estimate and legal advice received, no provision has been recognised in these Financial Statements as the outcome of such claims is not expected to give rise to a material liability.
